

3 ON 3 BASKETBALL

Official Rules are those used for Schick Super Hoops Contests

The Game

Schick Super Hoops is a half court game played by two teams of three players each including a maximum of one substitute.

Undergraduate and graduate students (except former members of a college varsity basketball squad) are eligible to compete. Any student regularly practicing with the intercollegiate team is ineligible. Player eligibility is the responsibility of the school's Campus Tournament Director.

Playing time shall be two halves of 8 minutes running clock with an intermission of one minute. A tie score after regulation time shall, whenever possible, result in a two minute running clock overtime period with half possessions determined by a coin flip. If the scores remain tied after overtime, the Tournament Director shall determine the tie-breaking procedures.

The referee only for injuries or special circumstances shall call time outs.

Substitutions may be made after a basket; a foul shot or any stoppage of play.

The winner of the coin toss shall take first ball possession and the loser shall take ball possessions to start the second half. Ball possession changes hands after each basket unless a foul is awarded. Deliberate stalling or attempts to freeze the ball shall result in loss of ball possession. Then the referee may issue a verbal warning before taking away possession.

The imaginary "check line" shall be the top of the foul circle. To start each half after score, or after foul is awarded, a player must pass the ball in play from the check line. On defensive rebounds or steals the ball must be returned to the check line and the player in possession of the ball may maintain control and attempt to score.

NCAA rules shall be enforced whenever applicable.

Fouling

All common, personal and technical fouls shall be counted against a team total. After the fifth team foul, a bonus shall be awarded to the remainder of the game. An individual player cannot foul out of a game, but may be ejected by the official for cause.

Prior to the fifth team foul: (a) any common foul shall result in loss of possession for the offending team, (b) any offensive foul shall result in disallowing a converted basket and loss of possession, (c) Any shooting foul with a missed basket shall result in retained possession, and (d) any shooting foul with a converted basket shall result in the basket being awarded and a change of possession.

On and after the fifth team foul (a) any common foul shall result in a single foul shot along with retained possession for the offended team, (b) any offensive foul shall result in disallowing converted basket and a single foul shot along with retain possession for the offended team, (c) any shooting foul with a missed basket shall result in two foul shots along with the retained possession, and (d) any shooting foul with a converted basket shall result in the basket being awarded along with retained possession.

The Officials

The duties of the officials shall include scoring, time keeping and refereeing. The officials shall conduct the game in accordance with the official rules. The officials shall penalize any player substitute or coach for unsportsmanlike conduct by immediate ejection and banishment from the area.

Prior to the game the referee shall perform a coin toss to determine ball possession. The referee shall signal the ball in play to begin both halves and to attempt free throws and shall call all the other violations. The referee shall have power to make decisions on any point not specifically covered in the rules.
